

## Sellersburg Steering Committee Meeting #4:

The fourth and final steering committee meeting was held in-person with an option to attend virtually using GoToMeeting. The meeting was held on Thursday, August 6, 2020 from 6:00-7:30 pm. The purpose of the plan was to discuss the draft comprehensive plan document and the implementation plan. Approximately 10 people attended the meeting, including Town Staff, Town Officials, the consultant team, and steering committee members. The agenda of the meeting included a brief overview of the plan organization, summary of the recent public meeting, and discussion of the strategy and action steps prioritization.

The following bullet points summarize the feedback collected during this meeting.

### Meeting Discussion Notes:

- **Action Step Tables:**
  - Goal 2A - Include the Redevelopment Commission as a partner for this strategy.
  - Goal 3A – The champion for this strategy should be updated to include the Planning and Zoning Department and/or Town Council. The Drainage Board should be included as a partner in this strategy, and the Planning Commission should be replaced by the Planning and Zoning department.
  - Goal 3B – Replace the Town Council as a champion with the Sewer Department for this strategy.
  - Goal 4A – Include the Town Council as a champion for this strategy.
  - Goal 5A – Update to include Planning and Zoning as a champion for this strategy.
  - Goal 6A – Include the Town Council as a champion for this strategy.
  - Goal 7A – Identify Neighborhood Associations and the Planning and Zoning Staff as champions for this strategy.
  - Goal 8A – Identify the Redevelopment Commission as champions for this strategy.
  - Goal 8B - Identify the Plan Commission, Redevelopment Commission, and the Planning and Zoning staff as champions for this strategy.

Following the meeting, the steering committee members were asked to provide any final comments on the draft document before initializing the adoption process.
